

You Said Yes

Most People Never Do

Welcome to the Impact 168 Servant Leader Field Guide - build for young leaders like you who are already changing their community one lawn at a time.

5 Things Servant Leaders Do:

- ✓ **They Show Up - Even When It's' Hard**
Motivation comes and goes. Leaders show up anyway.
- ✓ **They Put Others First**
You're not mowing for the praise. You're mowing because someone needs you. That's rare.
- ✓ **They Do the Work When Nobody's Watching**
Character is who you are when the cameras are off. You're building yours with every lawn
- ✓ **They Finish What They Start**
Starting is easy. Finishing is where legends are made. You committed to 50 - own it.
- ✓ **They Lift Others Up**
The further you go, the more people you inspire - even when you don't realize it

Who You Are Now

You didn't wait for someone else to help. You didn't make excuses. You picked up a mower and you showed up for people who needed you.

That's not normal. That's leadership.

From this moment on, you're not just a kid mowing lawns - you're a servant leader. And this guide is your playbook for the journey ahead.
